To our Valued Customer,

United States Food & Drug Administration regulations 29 CFR 1910.1200 Hazard Communications Standard and Material Safety Data Sheets; European Union Directive 1999/45/EC concerning classification, packaging, and labeling of dangerous preparations.

This letter is to inform that the following product, Honey Powder, is non-hazardous and does not fall within the labeling requirements of the above regulations. Therefore, it is exempt as stated in said code(s) and as of this date no Safety Data Sheet (SDS) is required.

The information in this publication is believed to be accurate and is given in good faith, but no representation of warranty as to its completeness or accuracy is made. Suggestions for uses or applications are only opinions. Users are responsible for determining the suitability of these products for their own particular purpose. No representing of warranty, expressed or implied, is made with respect to information or products including, without limitation, warranties or merchantability, fitness for a particular purpose, non-fringement of any third party patent or other intellectual property rights including, without limit, copyright, trademark and design.
